IMPORTANT that you do the following:

- Sign in through eAuthentication.
- Enter Yes or No if you would like spouse to attend and your job code/override (e.g. IDP123/4567) information in the comments block; click the **Confirm** button at the bottom right of the comments block.
- You have now officially registered for this course and have a **Pending Status**.
- Your supervisor **MUST** approve in AgLearn to receive an **ENROLLED** status.

You will receive an email notification from AgLearn of your enrollment status. You may lose your seat in the class if your supervisor does not approve timely; it is recommended you contact your supervisor to request approval. **Note:** Contact Tammy Roby-Martinez if you would like to bring your spouse; based on space availability.
